

Even though summer break has just begun, it is time to start thinking about activities and athletics for the 2018-2019 school year. New this year, the district will be using 8 to 18, an innovative website used for registration, schedules, scores, and information. Both the high school and the junior high have their own websites which can be accessed by using the “Athletics” icon on the Dee-Mack website or by clicking on the links below.

Junior High: <http://il.8to18.com/DeeMackJH>

High School: <http://il.8to18.com/deemackhs>

Once on the new website, you will have access to all sporting information for the district. It is through this new site that you will need to register your student athlete for the 2018-2019 school year. All athletes will need to be registered prior to the beginning of the athletic season.

To register a student athlete, simply click on the “Registration” tab on the 8 to 18 website. Once there, choose “Create An Account,” and follow the on-screen directions. A parent/guardian must create this account to start the registration process. Throughout the registration process, you will read through the athletic handbook, concussion information, parent code of conduct, and picture release information. Along with this, you will also be directed to watch a short informational video regarding important information for each school.

While the online registration does cover all of the important forms your student athlete must have to participate, a current physical MUST be on file in the office prior to tryouts.

If you have any questions, please contact either Teri (March) Justus at the junior high or Mitch Holmgren at the high school.

Teri Justus - tjustus@deemack.org

Mitch Holmgren - mholmgre@deemack.org

Go Chiefs!
