

# Dee-Mack STADIUM / TRACK

---

## Hours open to Public

The front gates are open for the track to be used by the community from 5:00 AM- Dusk.

There is no charge to use the track, we just ask that you follow the rules listed on the gates. We also ask that you only use the track when events or practices are not taking place.

We encourage Dee-Mack residents to use the track in order to become a more healthy community.
